

SAIL MALAYSIA PASSAGE TO THE LANGKAWI 2017

Welcome to Sail Malaysia!

Malaysia is situated between 1 and 7 degrees north and has traditionally been the centre of regional trade due to its strategic location. Recently, with the growing number of marinas, the country is fast becoming accessible to cruisers and no longer just a place to just pass by.

Our objective in this event is to help you Discover Malaysia by Sea. Although west coast of Peninsula Malaysia has been well documented over the years, with Sail Malaysia, you will be able quickly familiarize the region as well as getting to know the locals hosts on a more enjoyable and personable manner.

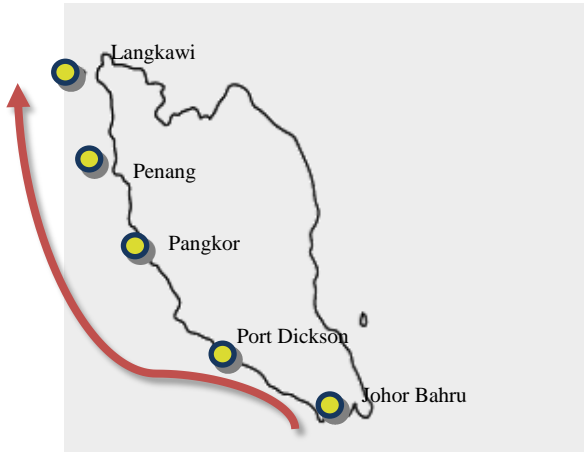

We realize that since this may be your first visit to our country by sea. We hope to introduce you to the people, marine facilities and of course the

beauty and heritage of each rally destination that you may otherwise miss if you were to do it individually.

Traveling in Malaysia is hassle-free and convenient. The destinations that you will visit are easily accessible by air for receiving friends and family. Malaysia is also the perfect base for travel around this region as well as travelling back home.

Sail Malaysia welcomes you to the rally stops, where you will be showered with a warm Malaysian style welcome. We intend to introduce you to at least 4 destinations, from Johor Bahru to Langkawi. There is so much to look forward to. The journey is as much about self discovery as it is about visiting our friendly hosts.
